1. Frequently asked questions concerning ordering:

How to place an order?

You can either place an order by fax to +49 (0)6102-79928199 or by email to order@roundsolutions.com.

How to pay?

Most customers pay sample orders by credit card – VISA and MasterCard. For that we have a credit card form that you will find at the end of this price list. You can also pre-pay your sample order by bank transfer directly to our account. Our bank details can be found at the bottom of each page. For speedy processing please fax (+49 (0) 6102 79928199) us the payment order form to your bank.

How long does it take to process an order?

The processing time of an order is approx. 1 to 2 days – depending on standard stock availability. You can speed up the process if you give us all the necessary details with your first order.

- Address with company name, street name, ZIP code, country
- VAT number, if your country is a member of the EU. Without this VAT number we have to charge 19% German VAT. If you do not have a VAT number, then please write “No VAT number” on your order. This is very IMPORTANT.
- For all countries outside the EU we do not need a VAT number and we therefore have no need to charge any tax.
- Your telephone and fax number
- Your email address
- Your website address if you have one
- The technical contact person and the person in charge of ordering in your company

Do you ship to my country?

We ship to almost every country in the world. Our forwarders are UPS and TNT. On request others can be used. Should you wish to use your own freight forwarder and account please supply us with the necessary information on your order. We would need the name of forwarder and the account number.

How fast can you ship to my country?

Depending on the country and city it can take approx. 1 to 5 working days.

How much are the freight charges?

Freight charges depend on the freight forwarder, the volume, the weight, the service you choose and the country. Round Solutions has very favourable prices with UPS and TNT which we pass on to our customers. Should you wish to use your own freight forwarder and account please supply us with the necessary information on your order. Page 13 shows you the freight prices.
