Wireless Modules + Accessories Price List

July 2009 V1.69

Round Solutions GmbH & Co KG
Hans-Boeckler-Straße 16
D-63263 Neu-Isenburg
Germany
info@roundsolutions.com
Tel.+49 (0) 6102 799280
Fax +49 (0) 6102 79928199

Sample orders can be paid per VISA/MASTER Card or per Bank transfer. The Credit card form can be found on the last page of this price list or under www.roundsolutions.com/ordering. Minimum order value: EUR 100,- excl. freight or a handling fee of EUR 30 applies. Forex: 1£ = €1.05 1€ = USD 1,40 – daily exchange rates apply.

1. Frequently asked questions concerning ordering:

1.1 How to place an order?

You can either place an order by fax to +49 (0)6102-79928199 or by email to order@roundsolutions.com.

1.2 How to pay?

Most customers pay sample orders by credit card – VISA and MasterCard. For that we have a credit card form that you will find at the end of this price list. You can also pre-pay your sample order by bank transfer directly to our account. Our bank details can be found at the bottom of each page. For speedy processing please fax (+49 (0) 6102 79928199) us the payment order form to your bank.

1.3 How long does it take to process an order?

The processing time of an order is approx. 1 to 2 days – depending on standard stock availability. You can speed up the process if you give us all the necessary details with your first order.

- Address with company name, street name, ZIP code, country
- VAT number, if your country is a member of the EU. Without this VAT number we have to charge 19% German VAT. If you do not have a VAT number, then please write “No VAT number” on your order. This is very IMPORTANT.
- For all countries outside the EU we do not need a VAT number and we therefore have no need to charge any tax.
- Your telephone and fax number
- Your email address
- Your website address if you have one
- The technical contact person and the person in charge of ordering in your company

1.4 Do you ship to my country?

We ship to almost every country in the world. Our forwarders are UPS and TNT. On request others can be used. Should you wish to use your own freight forwarder and account please supply us with the necessary information on your order. We would need the name of forwarder and the account number.

1.5 How fast can you ship to my country?

Depending on the country and city it can take approx. 1 to 5 working days.

1.6 How much are the freight charges?

Freight charges depend on the freight forwarder, the volume, the weight, the service you choose and the country. Round Solutions has very favourable prices with UPS and TNT which we pass on to our customers. Should you wish to use your own freight forwarder and account please supply us with the necessary information on your order. Appendix 1 of this price list shows you the freight prices.

Round Solutions GmbH & Co KG
Hans-Boeckler-Straße 16
D-63263 Neu-Isenburg
Germany
info@roundsolutions.com
Tel.+49 (0) 6102 799280
Fax +49 (0) 6102 79928199

Sample orders can be paid per VISA/MASTER Card or per Bank transfer. The Credit card form can be found on the last page of this price list or under www.roundsolutions.com/ordering. Minimum order value: EUR 100,- excl. freight or a handling fee of EUR 30 applies. Forex: 1£ = €1.05 1€ = USD 1,40 – daily exchange rates apply.

1.7 How does the ordering process work?

Payment by credit card (Visa and MasterCard)	**Prepayment per bank transfer**
• Send your Order and the Credit Card Form by fax to +49 (0)6102 79928199. The Credit Card Form with the details we require can be found on the last page of this price list. • Please do not send credit card details in an e-mail. • A Proforma Invoice will be sent to you if necessary. • Order processing starts. • Debiting of your credit card. • Dispatching of your order. • If dispatched with UPS you will receive a tracking number by e-mail.	• Send your Order by fax to +49 (0)6102 79928199 or email to order@roundsolutions.com • A Proforma Invoice will be issued if necessary. • Order processing starts. • Payment to RS account. • Please fax us a copy of the bank transfer indicating payment made for speedier processing. • Dispatching of your order on receipt of payment. • If dispatched with UPS you will receive a tracking number by e-mail

Please indicate if you request a confirmation of your order.
Should we not have the components you have ordered in stock we will contact you.

1.8 How to ask for the status of my order?

The status of your order should be requested by email order@roundsolutions.com or fax +49 (0) 6102 79928199.

1.9 Do you have the goods in stock?

We usually have samples and pre-production quantities in stock ready for shipment to you. Please inquire about delivery times for production volume.

1.10 How do I get technical support from Round Solutions?

Should you have any questions of technical nature please send an email to ts@roundsolutions.com .

As a customer you also get access to the Round Solutions world class *technical forum* (more than 5000 users) supported by Round Solutions engineers as well as by the R&D center.

2.7 GSM / GPRS tester, consulting, engineering				
GSM Tester	Phone Checker Package with Checker Software and Windows -based software package	EQU-GSM01	Unit price €6.489,00	
GSM/GPRS Tester	Module Tester Include with GSM Phone Checker Software and windows-based Software package	EQU-GPRS02	Unit price €8.890,00	
	Upgrades:			
	GPRS Go/NoGo Option	EQU-GPRS20	€1.300,00	
	GPRS Measurement Option	EQU-GPRS30	€1.200,00	
	EQU-GPRS02 Extended Warranty (for one year)	EQU-GPRS03	€177,00	
Network Analyzer	HP Network Analyzer NA8752 *Tune you matching circuit*	EQU-HP-NA8752	Unit price €9.540,00	
Rent GSM Tester / Analyzers	5 Working days	Inquire!	Rent price €500	For premium customers Free of charge
GSM Tester including field application engineer	We ***test*** your application on: - Bit error rate by low field strength - Bit error rate by high power 2Watt - Sensitivity of your application - Maximum output power - Ripple voltage of your power supply on plus voltage and on your ground plane	Inquire!	Price on request	
Design Review	Our team reviews the gsm part of your application.	Inquire!	Price on request	
Customized RF-Cable assembly	We have the cable you need with the connectors you wish.	Inquire!	Price on request	
Fixed IP	External access to your GSM band equipment over internet protocol	SER-FixedIP100	€10 / Month	30 days free trial

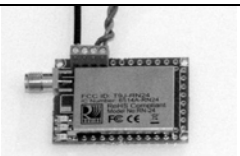

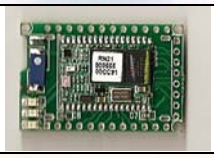

Even with our small and portable GSM tester you can measure RMS Phase, Peak Phase, Frequency Error, Burst Length, TX Level, RX Level and Bit Error Rate. We offer this by selling of GSM testers, renting of GSM testers or by renting of GSM testers including one of our field application engineers. Please feel free to send an email to harald.naumann@roundsolutions.com and to ask further questions on these enhanced services.

Selection table for QUAD TER-GX3XX and TER-GX110 series

Round Solutions support customers, designers and developers on all continents. Our modules are based on the international worldwide standard GSM. On www.gsmworld.com you will find a list of all GSM operators and all GSM supported countries. In order to help you select the right module for your project please see the table below showing the features and benefits of our GSM Modems.

	Features					**Remarks**
Type		**TER—GX110/GX300S**		**TER-GX400S**		
Band		Quad band 850/900/1800/1900 MHz		Multi band 850/900/1800/1900 /UMTS MHz		World wide coverage, UMTS for Europe (2100 MHz)
Test software		For Windows XX		For Windows XX		Free of charge
Starter Kit		Full covered with all accessories		Full covered with all accessories		Low price starter kits on stock
Internet forum		Online support and contact with other TER users world wide		Online support and contact with other TER users world wide		Factory support for starter kit customers, but sharing of information with more than 4000 users as well
Antennas		Huge range of antennas available		Huge range of antennas available		Inexpensive standard antennas; and low cost customised antennas as well
Serial link		Serial link RS232		Serial link RS232		Standard serial link to communicate
AT command		Standard AT commands set		Standard AT commands set		ETSI compatible AT commands
Drivers		Standard COM port drivers of Windows, OS2, Linux ….		Standard COM port drivers of Windows, OS2, Linux ….		It works like a standard AT modem and does not need any drivers.
SIM card reader		GSM network 850/900/1800/1900 MHz		GSM network 850/900/1800/1900 /UMTS MHz		World wide coverage
Bearer		GPRS, data, voice, SMS and fax		GPRS, data, voice, SMS and fax		All bearers supported
Power		8mA in idle mode, 150aM 2A		8mA in idle mode, 150aM 2A		
Voltage		Voltage range: 5V - 30 V		Voltage range: 5V - 30 V		If you need more, ask us! We can do up to 40V
Digial Interface		4 IOs		4 IOs		4 IOs as standard
Audio interface		No audio		No audio		Audio on request
Echo cancel-lation		Embedded in the module		Embedded in the module		No costs for external Echo cancellation
GPRS class		GPRS class 10		GPRS 10, HSDPA, WCDMA, EDGE		No command

	Features					Remarks
		TER— GX110/GX300S		**TER-GX400S**		
TCP/IP		Embedded TCP/IP stack EASY GPRS		Embedded TCP/IP stack EASY GPRS		Even the smallest 4 bit controller can use TCP/IP
UDP/IP		Embedded UDP/IP stack EASY GPRS		Embedded UDP/IP stack EASY GPRS		Even the smallest 4 bit controller can use UDP/IP
FTP		FTP client AT commands		FTP client AT commands		Modem includes a FTP client
Firewall		Embedded firewall to block illegal access		Embedded firewall to block illegal access		Increasing of security and protection against high GPRS traffic
Virtual COM-Port		Transparent TCP/IP Link EASY GPRS		Transparent TCP/IP Link EASY GPRS		Modem includes a transparent data link based on GPRS
GSM monitor mode		Monitor command including Timing Advance, Field Strength, Number of base station. …		Monitor command including Timing Advance, Field Strength, Number of base station. …		Useful for service and maintenance of GSM based products
Enhanced GSM monitor mode		By EASY SCAN scanning of all GSM operators even when no SIM card is in the GPRS module.		By EASY SCAN scanning of all GSM operators even when no SIM card is in the GPRS module.		Great feature for GSM based tracking, but for simple test systems of GSM networks as well
GSM anti jamming detection		Patented embedded GSM jamming detection		Patented embedded GSM jamming detection		Detection of jammers with messaging to activate horns or flash lights
